

The Publication

Ocean Economy was founded and is edited by Aileen Torres-Bennett, a journalist who was the managing editor for 13+ years of *Sea Technology* magazine, a leading ocean technology B2B that published from 1963 to 2025. She has an M.S. in journalism from Columbia University and 20+ years of professional experience, including as a stringer for AP and Reuters around the world.

Ocean Economy publishes one news or feature article Monday through Thursday. The readership is rooted in business, technology, science, and policy, from mid- to senior/executive-level roles. The audience is global, with the largest concentration in the US, followed by Europe and Asia-Pacific.

Ocean Economy launched on October 21, 2025. It has 1,600+ email subscribers. They receive the *Ocean Economy: Weekly Briefing* every Friday morning, with links to the week's news and features on the website.

Advertising opportunities are available via display ads, sponsored content, and newsletter sponsorship. Rates are subject to change as the publication grows.
